Title: Report on “Workshop On First Aid for adopted area”

Date: March 08, 2023, 09.00 am onwards.

Venue: Mumbai

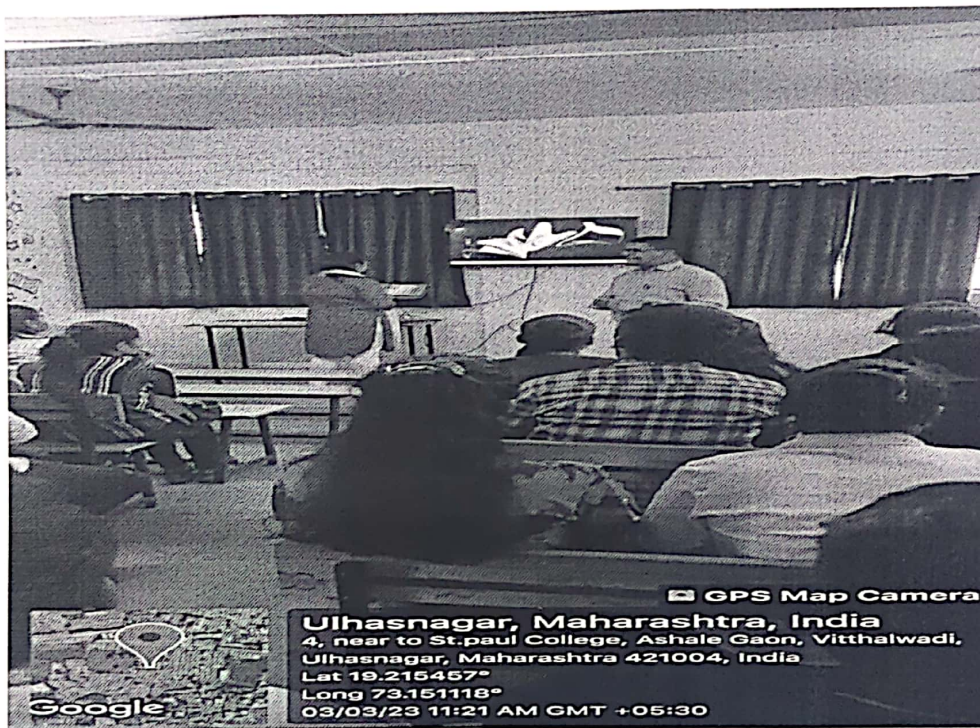

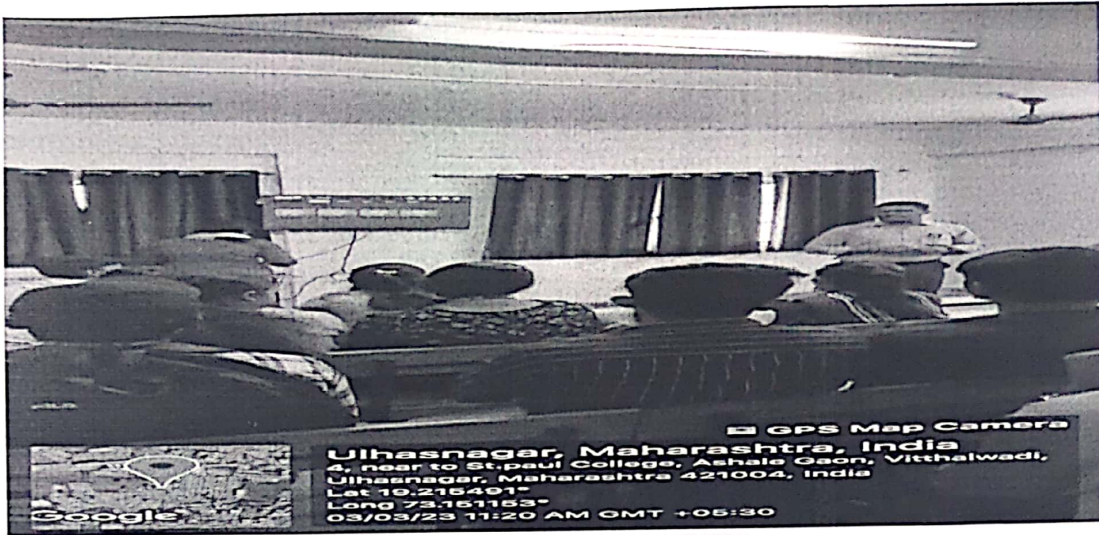

Conducted by: Mr. Premgishnu Rafa

Introduction:

On Friday 03 March, 2023, workshop on First aid was conducted in college premises by NSS department for creating awareness among students as well as in society. The aimed to provide value of first aid. Around 26 students actively attended activity.

Objectives:

- The aims of first aid include preserving life, preventing injury from getting worse, aiding recovery, relieving pain, and protecting the unconscious.
- Its main objective is to save lives. And first aid training is key to doing that if properly implemented
- Preserve life – stop the person from dying. Prevent further injury – stop the person from being injured even more
- If possible, an injured person should not be moved
- First aid can include how to safely move injured people or move them anyway with less harm if there is no choice.

Conclusion: work shop on First aid proved to be a significant success in guiding students towards importance of first aid. It is create sense of awareness in student regarding first aid.
