Title: Report on “Road safety visit at NCPA”

Date: January 18, 2023, 07.00 am onwards.

Venue: Mumbai

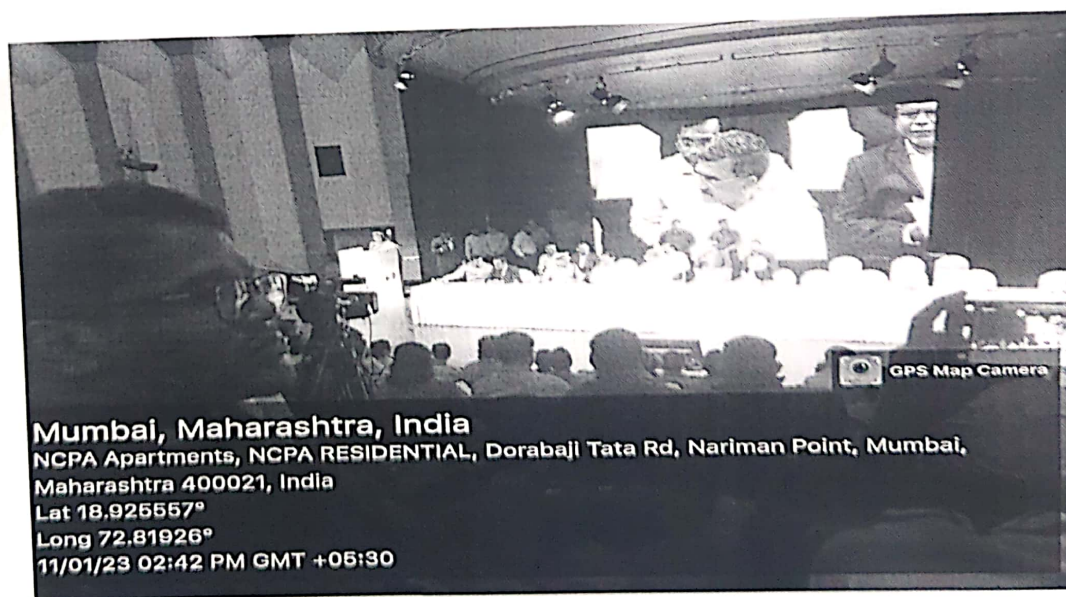

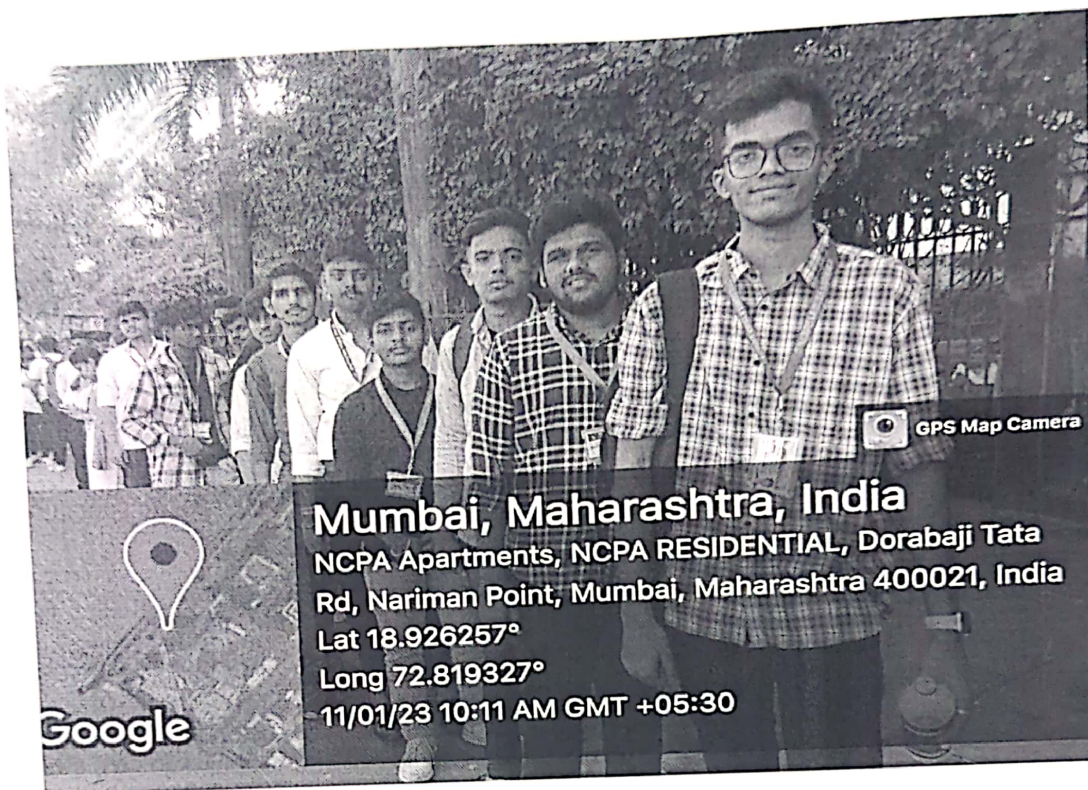

Conducted by: Mr. Premgishnu Rafa

Introduction:

On January 11, 2023, a NCPA visit for road safety was conducted at Mumbai by NSS department for creating awareness among students as well as in society. The aimed to provide value of our leader to students and how it will fruit full for them. Around 18 students actively attended activity.

Objectives:

- The primary objectives of the National Road Safety Policy in India are to reduce road traffic accidents
- To minimise fatalities and injuries resulting from road accidents, and enhance road infrastructure to make it safer and more efficient
- Minimize the Causes of accident by Educating and sensitizing the Road Users About Valued Human lives.
- To study the causes of accidents and suggest corrective measures at potential location
- Road safety measures, including the use of road barriers and highway barriers, are aimed at reducing the risks of people getting involved in accidents in the first place.

Conclusion: Road safety program at NCPA visit at Mumbai proved to be a significant success in guiding students towards importance of road safety. It is create sense of awareness in student regarding roads safety.
