CRITERION I - CURRICULAR ASPECTS
1.1 - Curriculum Planning and Implementation
1.1.1 - Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words
Our Institution ensures effective curriculum delivery through a well planned and documented process as follows: Planning: The institute prepares its academic calendar in accordance with the university calendar for the smooth conduct of activities. Subject allocation is done as per the expertise and experience of the faculty. In the beginning of each semester the syllabus of respective subject is

made available to each teacher. The teachers are asked to prepare semester- wise teaching plan of their respective subjects. Individual time table and master time table for each program is prepared and is shared with students and teachers and displayed on notice board for students and staff College declares the dates of university and date of the university and college examinations well in advance so that students and teachers have profuse time to complete their curriculum in time. Implementation: The implementation of curriculum is smoothly administered by the teachers. The teachers maintain 'Academic Diary'. As per the format of diary, Individual Time-Table, Annual Teaching Plan, Text-books and Reference books, class and subject-wise are maintained. Teachers complete the syllabus of the curriculum in the stipulated time Teachers are encouraged fully to adopt innovative methods to teach. If required, teachers also take extra lectures to complete the syllabus on time. Industrial Visits, Internships, Debates, Group Discussions, Seminars, Role plays, Value Added Courses, Certificate Courses are organized to ensure better learning process Review : At the end of semester a periodic review of curriculum delivery is taken in the meetings of academic departments. In meetings, Principal takes review of all the aspects of teachings and extra-curricular activities and provides valuable guidance and instructions. Feedback on curriculum is taken from students, alumni, parents and faculty as well, accordingly necessary actions are taken. Head of the departments also take oral feedback from students timely regarding the completion of syllabus and other aspects of teaching. 1.1.2 - Certificate/ Diploma Courses introduced during the academic year Diploma Dates of Focus on Skill Certificate Duration Development Courses Introduction employability/entrepreneurship 09/10/2020 MS-PPT Nil Employability Yes 10

done by concerned staff so as to ensure that classrooms, washrooms and other rooms are properly cleaned and all the electrical devices and washroom fittings are in good and working condition. Immediate action is taken in case of any default found by calling the concerned personnel. Infrastructure is shared by St. Paul Degree College St. Paul Junior College as per the time table which is drawn prior to the start of academic year. In order to maintain and upgrade facilities like Library, Sports, Gymkhana and computer lab every year budget is prepared. Physical facilities like classrooms, computer lab are utilized to the optimum extent. Adequate number of Fire safety extinguishers have been installed at various places at all floors and all staff have been provided with adequate training, by way of lectures/demonstrations, in the usage of the firefighting equipment if and when required. We have in-house team which take care of maintenance of Computers and Networking equipment's. In case of any major problem, outside engineers are called up to solve the problem. A Committee has been formed by college which take cares of the Maintenance and Cleanliness of the entire St. Paul Campus. The committee is assigned with the task of preparing cleanliness schedule and also monitors that the same is implemented regularly. The garbage is stored in containers and disposed off when the municipal truck arrives at the premises. In order to avoid water logging in the premises during the rainy season we have adequate drainage system which evacuate excess rain water from the premises.

6.1 - Institutional Vision and Leadership

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The College is managed through the trust 'Pal Shikshan Sanstha'. The College believes in family culture and participatory management and Board of Examination for the smooth functioning of both Academic and Administrative functioning as per the University guidelines. It promotes decentralization and participative management in various aspects of administrative and academic activities at various levels for the effective implementation of processes and systems. It has a well-designed organizational structure with different committees and welldefined processes to provide leadership and manage different functions and initiate timely action, in tune with its vision and mission. Teachers are the key to discharge an important role in implementing the vision and mission of the institute and they play active part in the decision-making process. Faculty are members and conveners of the various committees that are instituted for the dayto-day functioning of the college. We have formed Committees like Examination Committee, the Admission Committee, the Library Committee, Admission Committee, Anti-Ragging Committee, Cultural Events Committee, Research Monitoring Committee, Grievance redressal, etc. The Principal has an open door policy. Issues, if any, are resolved with due care. The processes of administration are well-defined. Statutory Compliances are timely followed. Roles and responsibilities at different hierarchy levels are well-defined. Vice Principal monitors and supervise academic and administrative functioning. Various Co curricular and Extra Curricular activities are coordinated by activity heads for the holistic development of the students. The college has Excellent interpersonal relationship between all the stakeholders Every Year an event called Mock Budget is organised by the college. The idea was originated by Principal Dr. Antony Lawrence. A committee is formed to conduct it every year and it involves students as well. Committee is given full freedom to decide on the brochure, prizes and judges for the event. The event is conducted efficiently by the committee itself every year.

With a view to "Go Green", we chose to install solar panels in the campus of 1 KV Capacity which will generate electricity. The generated electricity which is adjusted wilt the electricity transferred and billed accordingly. It is expected to save a significant amount in the electricity charges. The functioning of the same is about to start as there is some approval pending from MEEB side. 7.1.3 - Differently abled (Divyangjan) friendliness Ves No Mumber of beneficiar Physical facilities Yes 1 Scribes for examination Yes 1 Special skill development for differently abled students Yes 1 Number of initiatives taken to engage with and contribute to local community Date and contribute to local community Number of initiative and contribute to local community Number of students are as per the University of Mumbai, Maharashtra Act - 2005 (236/9), 2016 - 2017. The vision of the college about the commitment towards meeting the educational needs of all our students. Since the beginning, the institution has taken immense efforts towards this vision. The college is currently offering Four Courses i.e. BCom, BCom (Accounting Finance), BCom (Banking Insurance) and BMS. Considering the need of the students, college has decided to apply for Post graduate courses such as MCom (Accountancy), Mcom (Management) and BSC (IT). We are situated in a Rural Area and we have been able to provide easy access to the poor and needy students of the immediate locality. A good many of them have passed out and some have been placed in good jobs. The college makes sure that the education of any of its student is not affected due to lack of financial support. We also have provided them with monetary freeship to enable them to complete their studies. Various workshops/seminars, value added/bridge courses are conducted by the college, in order to develop various skills of students, which will help them in future.
