1	The institution provided adequate support for online learning during the COVID-19 period.					
2	Communication from the institution regarding changes and updates during the pandemic was clear and timely.					
3	The institution effectively maintained a sense of community and engagement among alumni during the pandemic.					
4	The online resources provided by the institution were beneficial for alumni to continue their professional development during the pandemic.					
5	The institution's response to the challenges posed by the pandemic positively impacted the overall alumni experience.					
6	The skills and knowledge acquired during your time at the institution prepared you well for the uncertainties of the professional world during and after the pandemic.					
7	The institution maintained effective channels of communication for alumni to connect with each other during the pandemic.					
8	The institution's alumni support services were helpful in navigating challenges related to career development during the pandemic.					
9	The networking opportunities provided by the institution were valuable in the					

	context of a changing job market during the pandemic.					
	The institution's efforts to keep alumni engaged in events and activities during the pandemic were successful.					
	The skills and knowledge gained at the institution were relevant and applicable to the challenges posed by the pandemic in your professional life.					
12	The institution's alumni network played a positive role in providing support and guidance during the uncertainties of the pandemic.					
13	The institution effectively facilitated connections between alumni and current students during the pandemic.					
14	The institution's response to the challenges posed by the pandemic positively influenced your perception of the institution as an alum.					
15	The institution's support for alumni, especially during the COVID-19 period, has contributed to a sense of loyalty and connection to the alma mater.
