Om S. Parab	SYMS	BM232001	IV	oparab99@gmail.com

Sr.no	Questions	Excel- lent	Good	Aver age	Poor	Suggestions, if any
1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?	✓				
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?		✓			
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?			✓		
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?			✓		
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?		✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?	✓				
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?	✓				
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?		✓			
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?	✓				
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?	✓				
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?	✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?		✓			
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?		✓			
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?		✓			
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?		✓			
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?	✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?	✓				
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?	✓				
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?	✓				
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?	✓				
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?	✓				
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?	✓				
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?	✓				
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?	✓				
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?	✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?	✓				
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?	✓				
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?	✓				
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?	✓				
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?		✓			
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?	✓				
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?	✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?		✓			
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?			✓		
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?			✓		
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?				✓	
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?			✓		
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?	✓				
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?	✓				
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?		✓			
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?	✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?	✓				
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?		✓			
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?	✓				
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?		✓			
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?	✓				
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?	✓	.			
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?		✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?		✓			
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?	✓				
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?	✓				
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?		✓			
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?	✓				
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?	✓				
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?		✓

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?		✓			
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?		✓			
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?	✓				
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?	✓				
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?	✓				
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?	✓				
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?	✓				
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?		✓			
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?

1	Have you noticed any improvements in the infrastructure of the institution compared to the previous academic year (2022-23)?		✓			
2	Were there any new facilities or enhancements in infrastructure (e.g., renovated classrooms, upgraded laboratories, expanded library space) that positively impacted your learning experience?		✓			
3	Did you have the opportunity to enroll in any add-on courses or skill development programs offered by the institution during the 2023-24 academic year?		✓			
4	How satisfied are you with the variety and relevance of add-on courses available to supplement your academic curriculum?		✓			
5	Have you explored any new books or resources introduced in the library this academic year? If so, did they contribute to your academic pursuits?		✓			
6	Do you feel that the library adequately caters to your academic needs in terms of both physical resources (books, journals) and digital resources (e-books, online databases)?		✓			
7	Were there any specific areas of the institution's infrastructure (e.g., technology resources, study spaces) that you found particularly beneficial to your academic progress?		✓			
8	In your opinion, how effectively has the institution utilized its resources to support students' academic and extracurricular activities?		✓			
9	How would you rate the accessibility and usability of facilities such as laboratories, computer centers, and recreational spaces on campus?		✓			
10	Do you have any suggestions or feedback regarding additional improvements or resources you would like to see implemented in the institution's infrastructure, add-on courses, or library offerings?		✓
